Re: Grant #2559

Dear Dr. Hollenberg:

The Scientific Director and CTR's staff have discussed your request for partial support of the Gordon Research Conference on *"Drug Metabolism"* to be held in Plymouth, NH July 17-21, 1989.

The program contains many topics of interest to The Council, and the list of speakers ensures that the quality of the meeting will be high. Although we have essentially exhausted our conference support budget for 1989, we would like to make a contribution to this important conference. and I therefore am pleased to tell you that we will make a contribution of $1,000.00 to help defray the costs involved. A check for that amount is enclosed with this letter. It would assist in our record-keeping if we could have a short written acknowledgement of the contribution.

We request only that these funds not be used to reimburse expenses incurred by participants from the industrial sector. We also would very much appreciate it if the organizers would hold open one registration slot for attendance by a representative from this organization.

Sincerely,

J Harmon McAllister
